## A Journey Towards Excellence

K. K. Wagh Education Society is a leading educational trust in Nashik District. It was established in 1970 by the visionary leader Late Padma Shri Karmaveer Kakasaheb Wagh. He realized the importance of education for upliftment of rural masses and started with a girls school in Niphad Tahasil. Earlier he was active in the development of Maratha Vidya Prasarak Samaj, which has been established as a center of learning for over 100 years. He was also instrumental in setting up three co-operative sugar factories in Nashik district. As a leader of farmers, he represented Niphad Tehsil in the state legislative assembly.

K.K.Wagh Education Society later on received a land of 23 acres from the well-known Philanthropist, Late Ratansey Haridas Udeshi (Kakuseth) of Hirabai Hansaraj Surji Charitable Trust and was utilized by K. K. Wagh Education Society to establish an ideal Technical Campus. This campus is named as 'Hirabai Haridas Vidyanagari' in the name of his mother "Hirabai Haridas". The picturesque campus houses the Engineering College, Polytechnic, Pharmacy, Sports ground, Gymnasium, Canteen, Guest Houses, Society Office, Hostels etc. Kakuseth has established many Schools, Colleges, Dispensaries, Dharan Shalas, Sanatoriums and Temples in many Parts of India."

Later on other educational institutes in the field of Agriculture, Education, Nursing, Performing Arts were started in the campus at Sararaswatinagar, Nashik. English Medium Schools, Jr. College and CBSE Schools are also run by the trust in Nashik City & Niphad Tehsil.

With the vision of empowering the youth through quality education, K. K. Wagh Education Society started colleges with faculties like Arts, Science, Commerce, Computer Science etc. at Nashik, Pimplas (Ramache), Kakasahebnagar and Chandori. These colleges are useful for the children of farmers who were deprived of higher education due to non availability of colleges in their native place. In Chandori village Pharmacy Institute is established for rural students.

The objective of K. K. Wagh Education Society is to provide quality education at affordable cost. The quality culture has been developed in all the institutes. All institutes have State-of-the-Art laboratories with latest equipments, computers & internet connectivity. Other facilities provided to the students include gymnasium and sport facilities, hostels for boys and girls, mess and canteen, transportation facility etc. Highly motivated and qualified faculty engaged in teaching, research, consultancy, training, testing and designing is a major strength of all the institutes.

A small sapling planted by Karmaveer Kakasaheb Wagh has grown into a full tree with 31 institutes having over 20,000 students engaged in studies from K.G. to Ph.D. in various fields. There are over 1,800 dedicated employees following the Indian ethics and striving hard towards developing the World Class institutes.

# **Founder & Visionary**

## **Balasaheb Wagh alias Bhau**

### **a symbol of DETERMINATION – DEVOTION - DILIGENCE**

The late Hon. Shri. Balasaheb Devram Wagh alias Bhau (1932-2022) was born in the legendary family of Padmashri Karmaveer Kakasaheb Wagh.

He was an Agriculture graduate and started his career in cooperative and agriculture gathering field experience in these sectors. Due to his scientific temper and rational approach, he succeeded in increasing the productivity of various sugar factories and brought them into the limelight.

Later, he founded the K. K. Wagh Education Society in 1970 and played an instrumental role in shaping this society. Owing to his dedicated efforts, able stewardship and interest in providing students with diverse fields of education like Engineering, Agriculture, Pharmacy, Polytechnics in Senior Colleges and school education (SSC & CBSE schools) the K K Wagh Education Society could establish 9 campuses by 2022.

A man of principles, he brought the light of knowledge into the lives of the rural population by providing education, especially for girls, at an affordable cost. His main focus was always on giving “quality education to all students”.

Being a man who believed in top quality, he strived so that the mark of K K Wagh spread across the globe from rural areas. Due to his constant support and engagement, more than 200 staff members have upgraded their educational qualifications and acquired degrees from institutes of repute in India.

His rich experience in agriculture and love for nature prompted him to encourage biodiversity on all campuses of K K Wagh Education Society and his efforts have borne fruit in the form of rare varieties of plants and a lush green cover at the various learning centers.

He was aware of various social issues and hence inculcated a sense of social responsibility amongst the students. Due to his student-centric approach, all his activities are aimed at the overall holistic development of students. Besides being proud of the Indian heritage and tradition he also had a keen eye in arts and hence to promote culture, he started graduate degree courses in Fine arts and Performing Arts, the only institutes outside Pune offering these courses. He emphasized on the value system and character building to groom the students and faculty as good citizens of the globe.

A man who lived a very simple life was always busy in giving more to society and spreading knowledge and wisdom. A catalytic force behind three different associations of management of unaided colleges of Engineering, Polytechnic, and Agriculture & Allied. A leader who promoted quality education in various institutes in Maharashtra, and headed several delegations of managements for resolving the various issues along with the government and various organizations.

With his zeal and infinite energy, he tapped people's hearts and inspired them to undertake global challenges. He planted the spirit of K K Wagh in each and every one he touched... It is due to his generous approach and dedicated contribution that his memories will be cherished and remembered forever in the minds of several thousand stakeholders.

# Chairman's Message

## Hon. Shri. Sameer B. Wagh

It is a real pleasure for me to welcome you to the K K Wagh Group of Institutions. KK Wagh has been synonymous with quality education for over 50 years and been a responsible member of India.

As Chairman of the KK Wagh Trust, I feel proud in sharing that the Trust has stayed true to its objective and vision throughout the years. We believe that quality education is the best and most assured route to prosperity and development in a society.

It is with this vision that our founding father, Shri Kakasaheb Wagh, followed by our beloved Trust President, Balasaheb Wagh (Bhau), contributed toward the development of rural India. Today, with over 30 institutes under its umbrella, K K Wagh provides programs for the complete and holistic development of child and youth in the urban and rural regions of Nasik. We offer courses in Engineering, Pharmacy, Agriculture, School Education, Fine Art and Performing Art along with traditional Arts, Science and Commerce courses. You may be surprised to know that at any given point there are more than 20,000 learners across the programs of KK Wagh.

Our alumni continue to excel in various fields and are leading teams in international corporations. When someone asks, "How do I measure the success of KK Wagh?" I reflect on two crucial attributes; Firstly, we have students whose parents graduated from this very campus... what else can be a true testament to the value that we offer for generations to believe in us! Secondly, the longevity of the members of KK Wagh in the system. The springboard that we provide students is built by dedicated staff who believes in the vision and values of K K Wagh. Year after year, decade after decade they have worked with the same zeal.

Today, we stand at a very interesting crossroad in the field of education. "The competitiveness of a nation comes from its people and the human capacity comes from education." The proposed National Education Policy, 2020 has come with exciting opportunities for learners and academicians. It demands dedication, authenticity and innovation from educational institutes to develop skilled and valued citizens for sustainable development. Half a century ago, K K Wagh led the movement for top-class institutions. Again, the time has come when major institutes will have to lead the 21st century to implement the NEP. At KK Wagh we are ready for this challenge and are committed to lead the next phase. I invite you all to experience and engage with the K K Wagh Trust in this new phase.

KK Wagh - Contributing to Nation Development by Building Human Capacity.

Warm Wishes,  
**Sameer B. Wagh**  
Chairman  
K. K. Wagh Education Society, Nashik

## Environment supporting – Shadu Ganesh idol workshop

Ganesh utsav is a unique festival of whole country. While enjoying this festival the plaster of paris and chemical made Ganesh idols causes greater water contamination. To minimize the environment issue, K.K.Wagh Education Society is arranging the workshop on making environmental friendly Ganapati Idol. Last year around 4000 students of different schools and colleges participated in the online workshop. Till date more than 10,000 Idols were made during workshop. Our Hon. Chairman Shri. Balashaeb Wagh motivated us to start this activity and Mr. Ajinkya Wagh guided for this activity.

Teachers from Fine Arts college of our Institute give demonstration and guide students for making clay idol. It results into development of beautiful and various kinds of Ganesh idols. The moto of this activity is to contribute towards safe environment.
